THE SAFF

Like its sister hotel The Scarlett, The Saff gained its name from the colour of saffron. This aptly named establishment is situated on Keong Saik Road, right in the middle of what was once a colourful red-light district. The designs for each room are inspired by the mixing of merchant cultures along the historical spice routes: Spain, Persia, Morocco, Turkey, India and Thailand - which provides for an intensely exotic experience for the adventurous traveller.

Rates: Single room, \$230++; Twin/Double room, \$250++; Superior single room, \$260++; Superior twin/double room, \$280++; Deluxe twin/double, \$350.
